JENEIL BIOTECH, INC.
400 N. Dekora Woods Blvd.
Saukville, WI 53080
(262) 268-6815

Created: January 3, 2005
Revised: June 24, 2022 (rev. 3)
38520

SAFETY DATA SHEET

SECTION 1. PRODUCT IDENTIFICATION

Manufacturer's Name:	Jeneil Biotech, Inc. 400 N. Dekora Woods Blvd. Saukville, WI 53080 USA
Emergency Assistance:	Jeneil Biotech, Inc. 1-262-268-6815
Product Description:	NDF 8520 - Natural Cheese Flavor - Asiago Type
Item ID:	38520
Chemical Name:	Not Applicable
Other Information:	Flavoring Compound for Industrial Use Only

SECTION 2. HAZARDS IDENTIFICATION

Classification of the Substance or Mixture:
Not a Hazardous Substance or Mixture.

GHS Label Elements, Including Precautionary Statements
Not a Hazardous Substance or Mixture.

SECTION 3. COMPOSITION / INFORMATION ON INGREDIENTS

CAS #: None

No components need to be disclosed according to the applicable regulations.

SECTION 4. FIRST-AID MEASURES

Although 38520 is not expected to pose any specific health hazard, the following precautions are recommended. Individual dermal and respiratory sensitivities to 38520 will vary.

Eyes:	Remove contact lenses at once. Flush with water. If irritation persists, see a physician.
Skin:	Wash affected area with soap and water. Call a doctor if irritation persists.
Inhalation:	If symptoms of overexposure are experienced, evacuate to fresh air. If symptoms persist, seek medical attention.

SECTION 5. FIRE FIGHTING MEASURES

Flash Point (TOC):	Not Applicable
Flammable Limits:	Not Available
Extinguishing Media:	Water, CO_2, Dry Chemicals, Foam and any means suitable for extinguishing surrounding fire.
Special Fire Fighting Procedures:	Wear full protective clothing and breathing apparatus.
Unusual Fire and Explosion Hazards:	Burning generates CO_2, CO, and smoke. Product is not an oxygen donor.

SAFETY DATA SHEET

SECTION 6. ACCIDENTAL RELEASE MEASURES

Place in suitable closed containers for disposal.
Ventilate area and wash spill site after material pickup is complete.

SECTION 7. HANDLING AND STORAGE

Keep product away from heat, to maintain quality.
Store in refrigerated 35° - 42° F (2 - 5˚ C) area.

SECTION 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Although 38520 is not expected to pose any specific health hazard, the following precautions are recommended. Individual dermal and respiratory sensitivities to 38520 will vary.

Respiratory Protection:	None required
Ventilation:	Handle product in normal, well-ventilated area. For standard outdoor application procedures, natural ventilation should be adequate. For standard indoor application, local exhaust should be adequate. However, during industrial usage and depending on 38520 application technique, mechanical ventilation is recommended where natural ventilation or local exhaust is inadequate or in areas where confined space entry is necessary.
Personal Protective Equipment:	In concentrated form, avoid contact with skin and eyes.
Hygienic Practices:	Avoid prolonged contact with skin. Wash thoroughly with soap and water after skin contact. Skin cream may be used to reduce possible irritation.

SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

A.	Appearance /Form:	Tan to deep tan paste
B.	Odor:	Intense Asiago Cheese
C.	Odor Threshold:	No data available
D.	pH:	4.7 – 5.1
E.	Melting Point/ Freezing Point:	No data available
F.	Initial Boiling Point:	100˚ C (212˚ F)
G.	Flash Point:	No data available
H.	Evaporation Rate:	No data available
I.	Flammability:	Non flammable
J.	Upper/ Lower Flammability or Explosive Limits:	No data available
K.	Vapor Pressure:	No data available
L.	Vapor Density:	No data available
M.	Specific Gravity:	>1.0
N.	Water Solubility:	Miscible
O.	Partition Coefficient: N-Octanol/ Water	No data available
P.	Auto-Ignition Temperature:	No data available
Q.	Decomposition Temperature:	No data available

SAFETY DATA SHEET

SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES (CON'T)

R.	Viscosity:	No data available
S.	Explosive Properties:	No data available
T.	Oxidizing Properties:	No data available

SECTION 10. STABILITY AND REACTIVITY

Stability:	Stable
Conditions to Avoid:	Excessive heat or freezing
Incompatibility With:	Avoid strong oxidizing agents
Hazardous Decomposition Products:	Burning generates CO_2, CO, and smoke. Product is not an oxygen donor.
Conditions to avoid for polymerization:	None

SECTION 11. TOXICOLOGICAL INFORMATION

Threshold Limit Value (TLV):	Not determined by ACGIH
Permissible Exposure Limit (PEL):	Not determined by OSHA
Sara Title III:	Not Listed as Reportable Substance No reportable quantity (RQ) limit
Route of Exposure:	Eye, skin contact, inhalation
Health hazard from acute exposure:	May be irritating to skin and eyes. Skin contact may cause slight redness. Eye contact can cause moderate to high irritation. Inhalation can cause nose, throat, and respiratory tract irritation.
Health hazard from chronic exposure:	Prolonged or repeated exposure can cause drying and dermatitis of skin. 38520 is not listed as a carcinogen by NTP, OSHA, OR IARC.
Medical conditions generally recognized as being aggravated by exposure:	None Known

SECTION 12. ECOLOGICAL INFORMATION

No data available.

SECTION 13. DISPOSAL CONSIDERATIONS

Offer surplus and non-recyclable solutions to a licensed disposal company. Observe all federal, state and local environmental regulations.

SECTION 14. TRANSPORT INFORMATION

UN NO.: Not applicable – Not dangerous goods

SECTION 15. REGULATORY INFORMATION

1. NTP, OSHA, and IARC do not list product as carcinogenic to humans.
2. Unused product is not listed by EPA as hazardous waste (40CR PART 261).
3. 38520 is not listed on California's prop. 65 toxic substance list.
4. 38520 is not listed on EPA'S chemical inventory (PL94-469); however, it is not on EPA'S CORR (CHEMICALS OF REGULATORY RULES) list, which contains those materials which pose a health or environmental risk.
5. 38520 does not contain lead, cadmium, mercury, or hexavalent chromium or come in contact with these chemicals.

6. 38520 does not contain and is not manufactured with any of the class I OR II ozone depleting substances listed under the United States clean air act of 1990.
7. 38520 is not a combustible liquid, it is not hazardous under OSHA 29CFR 1910.1200.

SECTION 16. OTHER INFORMATION

All statements, information, and data provided in this safety data sheet are believed to be accurate and reliable, but are presented without guarantee, warranty, or responsibility of any kind, expressed or implied, on our part. Users should make their own investigations to determine the suitability of the information or products for their particular purpose. Nothing contained herein is intended as permission, inducement or recommendation to violate any laws or to practice any invention covered by existing patents.
