Iron (mg)	0.94
Potassium (mg)	462.93

This information is approximate and derived using the calculations in Genesis R&D Nutritional Database. No attempt is made by us to maintain vitamin levels during processing or to fortify our products. As with any organic material, there can be some variation in the nutritional composition. The values above are being supplied to you to aid in your development work but should not be used solely to determine your nutritional labeling. You may need to analyze for these nutrients as they occur in your final product as required by the Code of Federal Regulations, Title 21 Section 101.9.
